Message from the Secretary

Education is not preparation for life, education is life itself
—John Dewey.

The aim of Public School Darbhanga is to provide the best and holistic education to its scholars. We believe that the pursuit of excellence rests in the positive beliefs that develop the Qualities of integrity, honesty, trust, compassion among Students. Our child centered philosophy helps students to achieve their maximum potential and life long learning.

We have taken a giant stride by launching mobile App with the intention of involving parents to monitor their wards progress with details in their handsets. The teachers are equipped with all the latest trends and tools of pedagogy with the help of training camp and other master trainers of this field. The school seeks your utmost Co-operation and support all times to achieve the high standard set.

Dr. B. K. Mishra
Secretary

Message From The Director

Within the child lies the fate of the future

— **Maria Montessori**

We develop each child's natural curiosity and sense of wonder in the world exposing students to a wide spectrum of disciplines and wealth of experiences designed to ensure a lifelong love of learning.

We agree with John F Kennedy that, our progress as a nation can be no swifter than our progress in education, we must remember that the human mind is our fundamental resource. Thus , It is essential that we work towards the maximum development of every young mind, only then will be able to address our revolvments of world leadership, our hopes for economic growth and our demands of able citizenship. Learning while doing is our motto while imparting education, Believing in this maxim, our academic calendar is full of different activities which provide ample opportunities for our students to showcase their talents in Scholastic, Co-scholastic and sports arena. We Sincerely thank our dear parents for ever providing support in our endeavors.

Mr. Rahul Mishra
Director

From the Principal's Desk

Nurturing the futures of future has been my passion since my school days. Having learnt from the quote "Education is the chief defense of a nation", I decided to embrace education sector to impart education among the school children for the well being of our nation. I feel immense pleasure to be headed as the principal of this unique Institution. I extend my heartiest gratitude to the founders and the board members of this school who enabled me to serve as the principal of this prestigious institution. I appeal

to the entire stakeholders of this school to be supportive & cooperative in disciplined manner so that the school might be able to produce ideal and competent resources for the earth planet. This school is committed to inculcate high level sacramental values and technocratic education. The students of this learning temple are expected to assimilate the philosophy of education and try their best to follow the footprints of scholars and learned teachers. The stakeholders should not leave any stone unturned to glorify the fame of this school. They should always try to imbibe sound character, modest behavior, good knowledge and great deeds in the society to be the illustrative icon.

My perception says that education is the multifaceted process of socialization. Education acts as an integrative force in the society by cultivating the values. Indeed, in several respects schools close the doors of thousands of prisons and open the doors to gain virtue and knowledge. It has been rightly said by the eminent philosopher, Confucius that "Education builds confidence, Confidence gives hope and hope gives peace".

Best of Luck!

Mr. R. R. Choursiya
(Principal)

Infrastructure

-Learning Enabled with world class infrastructural facilities and setup"

THE COMPOUND:

The impressive building to Public School Darbhanga Is a well-known landmark of Darbhanga. The School takes pride in its clean and green environment. The large, neat and airy classroom, the long corridors, and green surroundings are always a welcome soothing sight. They create a perfect setting for “learning”.

Smart Classrooms:

Public School Darbhanga has a vast repository of digital instruction materials exactly mapped to meet with the specific objectives laid out by different learning standards and curriculum by CBSE. It consist of thousands of highly animated lesson specific, 3D and 2D multimedia modules built with an instructor-led design that allows the teacher to effectively explain the lesson in a typical classroom of diverse set of learners. We also use an innovative assessment methodology at the end of each module.

The Library:

The School's library aims to provide a wide range of printed and electronic resources to support the academic creative and cultural development of all students.

Sports Facility:

Under our extra-curricular programmes, we lay a lot of stress on the provision of state of the art sports facilities. We offer our students the choice to play any sport from tennis, cricket, football, Chess, Karate under the specialized supervision of a trained instructor.

Laboratories:

Our well-equipped science lab helps students to directly perform experiments, gather data, observe, analyze and interpret. They get a first hand learning experience in understanding different scientific theories and concepts.

Swimming Pool:

Attractive indoor Swimming Pool Size 105 X 75 feet and 7.5 feet deep. Ladies and Gents trainer for Assistance.

Computer Lab:

The computer lab is well resourced with high-speed central servers and latest educational software with adequate security and safety features.

Transport:

The School has its own transport facility with more than 25 buses in which the students are always accompanied by an attendant in the bus. The transport staff follow transport rules and guidelines to ensure safety for the children, who are of paramount importance to us.

Admissions:

The School is open to all irrespective of caste, creed and religion. The session starts in April every year. Those who seek admission are required to register themselves from January to the end of March every year for the forthcoming scholastic session.
